**Subject: Revision in Timeline for Payment of Transaction Charges**

This is with reference to and partial modification to AMC Repo Clearing Limited (ARCL) “Master Circular” reference no. ARCL/Ops/2024-25/83, dated October 22, 2024, regarding Transaction Charges.

Currently, transaction charges are levied at INR.15 per crore (subject to the minimum of INR15 per trade and maximum of INR 1,500 per trade). GST and other applicable taxes are charged separately. The transaction charge bill is generated on the first day of every month and made available to the Members/Participants via their registered e-mail addresses. At present, payments are required to be made on or before 10<sup>th</sup> of the subsequent month (or the previous business day in case the 10<sup>th</sup> is a holiday).

Based on requests from Members/Participants, ARCL has extended the timeline for payment of monthly transaction charges. Effective from June 2025 (transaction charges for the month of May 2025), Members/Participants are required to make the payment on or before the last working day of the following month.
