To All Members/Participants,

Subject: Launch of “ARCL Connect” - Beta Version

AMC Repo Clearing Ltd. has launched Beta Version of “ARCL Connect” a web-based back-office portal. The portal aims to facilitate members and participants to provide addition and release of collateral and margin request seamlessly through the web-based platform.

Following are some of the salient features of the platform:

1. Web based platform.
2. Facility to create multiple users under admin ids.
3. Facility for maker and checker
4. Facility to view the status of the request on real-time basis.
5. Facility to view the collateral and margin details.

The Beta version will be available to members from April 15, 2024.

For creation of admin login ids, members & participants are required to send the following details on **operation@arclindia.com** in the below format. The admin user credentials will be sent to the email id, provided by clients.

| | |
|--------------------------------|--|
| Member Name / Participant Name | |
| PAN Details (If applicable) | |
| CIN | |
| Legal Entity Identifier (LEI) | |
| Admin Username | |
| Admin user email id | |
| Admin user phone | |
| Admin user mobile no. | |

Please note that the existing procedure of sending request for addition and withdrawal of collateral and/or margin through e-mail will continue simultaneously.

In case of any further clarifications, you may write to us at operation@arclindia.com.
